

An opinion piece by Professor Suzanne Wilkinson

Build back better

Theme: Shocks and Stresses

Key words: Disasters, rebuild, community, funding, systematic.

It is a noble aim to build back better following disasters, but the process is fraught, and this article reminds us why and what needs to be done to make it happen..

This document has been provided as an example of a tool that might be useful for other organisations undertaking complex disaster recovery or infrastructure rebuild programmes.

Build back better

['Build back better' sounds great in theory, but does the government really know what it means in practice? \(hashtag.net.au\)](#)
